The Board of Directors of Isuzu Motors Limited (the "Company"), at its meeting held on February 6, 2009, revised the amount of the projected dividend per share of common stock for the year ending March 31, 2009 as follows:

1. Reasons for changes

In determining the amount of cash dividends per share, the Company has been placing high priority on keeping the appropriate balance of the redistribution of profits to its shareholders and the reinforcement of earnings retention stocked to improve financial strength and to prepare future business expansion.

Regarding the year-end cash dividend of FY2009, with the downward revision of financial projection for the year-end of FY2009, projected dividend has been changed and become undecided. The amount will be proposed later, taking into consideration the annual financial results of FY2009 and other factors comprehensively.

Adjust ments and changes made in the projected cash dividend for the year-end of FY2009
